

HOME OWNERSHIP FAIR

2011

*Open the door to the
"American Dream"
with a home to call
your own!*

Clifton Savings Bank was one of nine Bergen County bank sponsors of the Home Ownership Fair.

Bank representatives assisted prospective homebuyers by answering questions and providing important home mortgage information.

In an effort to help people understand the process of buying and maintaining a home, the Bergen County Division of Community Development held its annual

Home Ownership Fair
on Saturday, September 17th
at the Teaneck Marriott at
Glenpointe.
