

## Clifton Savings Bank Delivers A Sound Message To Clifton Senior Center

On November 20, 2008, Clifton Savings Bank hosted a free seminar at the Clifton Senior Center.

The seminar topics included:

- ❑ Financial Stability
- ❑ Ownership of Accounts
- ❑ FDIC Insurance

The seminar was well received by the seniors; however, there was one technical problem, the Senior Center's microphone was not working well, making it difficult for the audience to hear. At the end of the seminar, Bart D'Ambra, Clifton Savings Bank's EVP & COO announced that Clifton Savings Bank would donate funds for the purchase a new microphone.

In April, the bank was notified that a new microphone had been purchased. Josephine Scavone, VP Human Resources, and Claire L. Giancola, VP & Training Manager, presented a check to Maria Miller, Clifton Senior Center Site Manager, and Florri Santosuosso, a Senior Center volunteer.

At the time the check was presented, The microphone was being used by Joan George, who was busy calling BINGO!
